Mission of Program: To teach campers values for success common to academics and athletics.

Position: Athletic Coordinator

Position Description: The Athletic Coordinator's primary responsibility is to develop, design, and implement the daily athletic component of Athletes and Authors Summer Academy. Using the Athletes and Authors Summer Academy Scope and Sequence as a guide, the Athletic Coordinator creates the daily athletic lesson plans and compiles the necessary resources to teach these lessons during the sports portion of the daily schedule. These lesson plans should incorporate sport-specific skill instruction, fitness activities, and games. Materials, resources, and content should be differentiated according to campers' age levels. Creative, dynamic, and fun lesson plans are encouraged and the Athletic Coordinator should approach teaching these lessons with enthusiasm and optimism.

Athletic Coordinator collaborates with the Academic Coordinator to develop overall daily schedules, based on the day's focus value. The Athletic Coordinator also works with Counselors to supervise the campers, participating in all activities throughout the day.

Athletes and Authors Summer Academy begins July 6 and ends July 30. The Athletic Coordinator is responsible for being at camp from 8:00AM to 5:00PM. The Athletic Coordinator will attend two days of training prior to the beginning of camp (dates and times TBA).

Compensation (Pay): Competitive compensation; TBA.

Position Prerequisites: College degree and experience in athletics. It is recommended but not required that the Athletic Coordinator have experience in summer camp and education. CPR/AED and First Aid certification is required.
